Microsoft Dynamics AX 4.0 Partner Launch Champions

Updated: April 25, 2007

As Microsoft Dynamics AX 4.0 is released in different countries, Microsoft Business Solutions certified partners have the opportunity to become Partner Launch Champions by undertaking key training on the new product and successfully completing assessments related to this training.

Being a Partner Launch Champion demonstrates that these partners have invested in learning about Microsoft Dynamics AX 4.0 and other key Microsoft technologies. These partners have the skills required to help customers understand and take advantage of the benefits of Microsoft Dynamics AX 4.0. They are ready to provide exceptional levels of service to customers installing and using the product.

The training available to partners under the Partner Launch Champion program includes in-depth learning about new product functionality, as well as the new technical aspects of this release.

The following Partner Launch Champions are ready to deliver the benefits of this product to customers worldwide:
